- Smooth quiet roll wheels
- Highest incline squat machine on the market
- PATENTED US 62/817,892
- fully FDA compliant
- Made in the USA

Warranty: Excellence in Rehabilitation warrants manufactured products to be free of defects in materials, workmanship or design under normal use and service conditions for 2 years on all mechanical products, all electric equipment and support items, from the date of purchase. This warranty does not include damage resulting from accident, abuse or misuse of the product and expressly excludes normal wearing of parts (including but not limited to vinyl) or defect caused by transportation, accident, fire, flood, alteration, or negligence. Note: Exceeding the recommended weight capacity of the MAT product with stationary weight or a total combined weight consisting of stationary weight and applied force under normal intended or unintended use voids this and all implied or stated warranties.
